BOX 7, 500 LAFAYETTE ROAD ST. PAUL, MN 55146**

Dear Friend,

The Nongame Wildlife Program of the Department of Natural Resources and the Bluebird Recovery Committee of the Minneapolis Audubon Society are pleased to present you with this 1984 Bluebird Directory. We hope you will find that this stimulates greater information-sharing among bluebird enthusiasts.

We are indebted to volunteers Joyce Nellis and Dave Ahlgren for computerizing all this data for us.

Overall, we have reports from 371 people. There were 6858 houses reported with 1332 successful broods that included 4282 baby bluebirds. Keep up the good work!

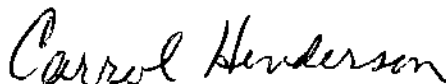

Our listing is relatively self-explanatory except the "SHARE" code. The key is as follows:

- TR - Willing to share trail with others
- SP - Willing to speak to groups
- MS - Maybe willing to speak to groups
- MT - Maybe willing to share trail with others
- Lt - Later, trail
- LS - Later, speak to groups
- IF - If we have bluebirds
- TRP - Share trail on personal basis
- ? - Relatively sure bluebirds fledged; number unknown

The last 2 pages of the directory are cooperators from other states.

Good luck in 1985 !

Sincerely,

Carrol Henderson  
Nongame Supervisor  
Nongame Wildlife Program
